

DIGITAL TORQUE WRENCH 20 - 200 NM

- Digital torque wrench with $\pm 1\%$ accuracy
- Digital display with Nm, ft/lb, in/lb, and kg/m units
- 9 preset torque settings with customizable tolerances
- Indicator light and audible signals for torque confirmation
- Reversible 45-teeth ratchet mechanism compliant with DIN 3122
- Quick-release button for easy socket changes
- Handle with markings for correct force application
- Powered by standard AA batteries
- Delivered in a robust protective case
- Individually tested to ISO 6789 standards with unique serial number and Declaration of Conformance

The TengTools 1292D200 1/2" digital torque wrench provides high accuracy for professional use, with a torque range of 20–200 Nm and an accuracy of $\pm 1\%$. The digital display shows both Nm and ft/lb, making it versatile for tasks in automotive and heavy machinery sectors. Pre-set with 9 torque settings, the tool also allows for custom programming to fit different job requirements. Visual and sound alerts ensure precise torque application, signaling when the desired value is reached. A 45-teeth reversible ratchet, built to DIN3122 standards, facilitates smooth operation in both directions. The quick-release mechanism simplifies socket changes for enhanced versatility. The handle includes markings to ensure correct hand placement. Powered by standard AA batteries, the tool operates without interruption. Certified under ISO6789, each wrench comes in a protective case for easy transport.

General information

Country of origin: Taiwan
Barcode: 5020385031326
Tariff code Europe: 8204120000
ECCN US: EAR99
ETIM: EC002132
UNSPSC: 27111715

Features

3/8"

Attributes

Product type: Torque Wrenches
Batteries included: No
Drive: 1/2"
Number of teeth: 45
Range: 20-200 Nm
Scale resolution: 0.1
Range 2: 15-150 ft-lb
Scale 2 resolution: 0.1
Accuracy: $\pm 1\%$
Calibration certificate: Factory
Reverse direction: Push twist
Insert tool size: 14 x 18 mm
Preset: No
Angular gauge: No
Digital: Yes
Bi-directional: Yes
Mechanism: Buzzer, Light
Tethering facility: No

Dimensions

Net weight (g): 1340
Width (mm): 42.5
Length: 548 mm
