

## QUICK SET WATER PUMP PLIER HRC60 300MM

- Water pump plier with quick set feature for fast and easy adjustment, saving significant time in high-paced work environments
- 60 HRC serrated jaws provide superior grip strength
- Vinyl handles
- 300 mm (12 inches) in length with a maximum capacity of 70 mm, offering versatility across a range of applications
- Made from durable high-performing quality steel

The TengTools 300 mm quick set water pump plier MB482-12Q is a reliable tool for professionals in plumbing, automotive, and general maintenance. This plier is ideal for adjusting and tightening pipe fittings in plumbing installations or repairs, as well as gripping and holding parts like hose clamps or irregularly shaped components. Crafted for efficiency and durability, the plier features a quick-set mechanism that allows for rapid adjustment. It is designed for frequent use featuring a pipe grip and 60 HRC serrated jaws for a strong, reliable grip on various materials.
