

RUBBER COATED MAGNETS WITH ADHESIVE TAPE 2 PCS

- 3M adhesive backing tape for reliable and long-lasting attachment.
- Suitable for holding a variety of items, such as power strips, offering convenience in various professional settings.
- Rubber-coating protects the paint on your TengTools tool cabinet from scratches.
- Compatible with any TengTools tool cabinet.

TengTools 2-piece set of rubber coated magnets with 3M adhesive tape backing. The rubber-coating provide an added layer of protection, preventing any damage to the paint on your tool cabinet. As an example, mechanics can use these versatile magnets to hold a power strip (not included) connected to essential diagnostic equipment or charging cables for battery-powered tools, providing easy access while working on vehicles.
