

18 MM LAMINATED WORK TOP FOR 26" ROLLER CABINET

- Robust 18 mm thick laminated MDF construction
- Provides a stable and durable work surface for tasks in professional environments
- Enhances functionality and space efficiency of tool storage units
- Resistant to wear and tear, suitable for demanding work environments
- Grey color that perfectly complements TengTools tool storage units for a unified workspace setup

The TengTools 26" laminated MDF worktop TC-TB05 is an accessory for professional tool storage units. The worktop is made of durable laminated MDF, providing a surface suitable for professional use in demanding environments. With a thickness of 18 mm, the worktop provides a robust and stable work surface that can withstand the wear and tear associated with heavy tools and components. It has a grey colour and fits 26" roller cabinets.
