

POWER TOOL SHELF ORGANIZER SIDE MOUNTED

- Made from a single piece of 2 mm steel, ensuring long-lasting durability and sturdiness.
- Powder coating provides a resilient finish, guarding against wear.
- Four fastening points (fixings included), simple installation process.
- Versatile design holds up to three power tools, either air or battery-operated, maximizing storage space.
- Compatible with Teng Tools cabinets, offering seamless integration into existing storage setups.

The TengTools tool shelf for power tools is a robust storage accessory designed for professionals. Made from a solid sheet of 2 mm steel, the shelf has a powder-coated surface for better resistance against everyday wear, extending its lifespan. With rounded corners for safety, the shelf is tailored to fit perfectly on the side of TengTools cabinets or inside a side cabinet (TCW-CAB02), featuring four fastening points for easy and secure installation. It has space for three power tools—either air or battery-powered—and battery tools can be hung either upside down or upright for optimal use of space.
