

## 27" CABINET FOAM TOOL KIT 217 PIECES RED

- 217-piece tool kit in a 27" Classic roller cabinet
- Tools organised in precision-cut, three-colour EVA foam inlays across four drawers
- 1/4", 3/8", and 1/2" square drive systems with 72-teeth ratchets
- Regular and deep metric sockets (4 mm to 24 mm)
- Includes extension bars, universal joints, drive adaptors, combination spanners, adjustable wrenches, and curved jaw power grip plier
- General-purpose tools: hammers, measuring tools, chisels, punches, utility knife, and hacksaw
- Full screwdriver set with 1/4" ratcheting bits driver and extensive bit selection
- Ball point hex keys (metric and AF) and TX keys
- Heavy-gauge steel roller cabinet with red powder-coated finish
- Seven fully extendable drawers with 30 kg capacity each
- Heavy-duty 5" x 2" castors (two fixed, two braked swivel) and metal side handle
- Integrated key lock
- Compatible with TengTools Tool Control System

The TengTools TCMME217K is a comprehensive 217-piece tool kit integrated into a classic 27" red roller cabinet, designed to meet the requirements of professional applications. The tools are organised in precision-cut, high-density, three-colour EVA foam inlays across four of the cabinet's seven drawers, leaving additional space for future expansion and customisation. They are compatible with the TengTools Tool Control System which ensures quick identification of missing tools, improving workplace efficiency and safety. The TCMME217K tool kit provides a comprehensive selection of socketry with 1/4", 3/8", and 1/2" square drive systems, featuring reliable 72-teeth ratchets, along with standard and deep metric sockets ranging from 4 mm to 24 mm. Accessories such as extension bars, universal joints, and drive adaptors enhance versatility, while combination spanners, two adjustable wrenches, and a curved jaw power grip plier address a variety of fastening tasks. General-purpose tools include hammers, measuring equipment, chisels, punches, a utility knife, and a hacksaw, complemented by pliers for gripping and wire cutting. A full range of screwdrivers is paired with a 1/4" ratcheting bits driver and an extensive bit selection for multi-fastener compatibility. Additionally, the kit includes ball point hex keys in metric and AF sizes, as well as TX keys, for precise fastening needs. Constructed from heavy-gauge steel with a red powder-coated finish, the cabinet ensures durability and resistance to corrosion. The seven drawers are rated for 30 kg each, are fully extendable for easy access and operate on three-step ball-bearing slides. Five drawers measure 76 mm in height, while two deeper drawers provide 151 mm of storage for larger tools. The mobility of the roller cabinet is supported by heavy-duty 5" x 2" castors—two fixed and two braked swivel castors—along with a robust metal side handle. The integrated key lock secures all drawers, protecting tools during transport or storage.

### General information

**Country of origin:** Taiwan  
**Barcode:** 5020385215757  
**Tariff code Europe:** 8206000000  
**ECCN US:** EAR99  
**UNSPSC:** 27113201

### Attributes

**Product type:** Mobile Tool Kits  
**User segment:** General Tool Kit  
**Number of pieces:** 217  
**Inlay material:** FOAM  
**Colour:** Red  
**Castor size:** 5" x 2"  
**Braked swivel castors:** 2  
**Fixed castors:** 2

### Dimensions

**Net weight (g):** 77250  
**Width (mm):** 686  
**Depth (mm):** 458  
**Height (mm):** 1037  
**Number of drawer:** 7  
**Drawer capacity:** 7 x 40 kg  
**Drawer depth:** 7 x 385 mm  
**Drawer height:** 5 x 76 mm, 2 x 151 mm  
**Drawer width:** 7 x 576 mm

### DESIGNED IN SWEDEN

TengTools is a Swedish company present in more than 30 markets worldwide, and offers hand tools in smart storage solutions for demanding professionals within the automotive, maintenance and engineering sectors, as well as motor sport enthusiasts who aspire to use the same tools as top mechanics across the globe.
