- Aluminium drawer handles in glossy black
- Drawer heights 55, 65, 133, and 145 mm

The TengTools 53" Magnum heavy duty roller cabinet TCWXD12 is constructed from heavy gauge steel and coated in a fine textured matt black finish (RAL 9005). This roller cabinet is designed for workshop efficiency and durability and to withstand the demanding conditions of professional environments. It stands at a height of 1163 mm (castors included) and features twelve fully extendable drawers with aluminium handles in glossy black. The top drawer has a load capacity of 120 kg, while the remaining eleven drawers support up to 70 kg each. A safety feature of the Magnum roller cabinet is the "One Drawer Opening" (ODO) functionality, which prevents the simultaneous opening of multiple drawers. The roller cabinet comes with high-quality castors, 6" in height and 2" wide, including two fixed and two swivel with brakes. This tool storage unit has a net weight of 310 kg and dimensions carefully considered for maximum storage capability and workspace integration. It is compatible with the TengTools Tool Control System.
