

TRIM & PANEL FASTENER CLIP REMOVAL SET FOAM1 4 PCS

- Dual application design for interior and exterior clips offers greater utility in a single set
- Calculated pivot points on blade tips facilitate safe removal of fasteners, safeguarding the integrity of the panel or trim
- Designed for broad compatibility, the set works effectively with most commonly used fastener clips
- Ergonomic bi-material handles improve grip and reduce fatigue during extended use
- Organised in a foam inlay module size 1 (FOAM1), enabling simple organization and storage within your existing tool setup

This TengTools 4-piece trim and panel remover set is engineered for the gentle disassembly of fasteners and clips on panels and trim. Each tool in the set has a tip designed to provide effective leverage while minimizing the risk of damage to the panel or trim. Compatible with most standard clips and designed to work in confined spaces, this set serves as a versatile resource in the workshop. The ergonomic handles are made of a bi-material and feature holes for storage or fall protection tethers, enhancing both comfort and safety during use. The tools come in a tool module size 1 (FOAM1) and can either stand alone or integrate into your existing TengTools storage solution.

General information

Country of origin: Taiwan
Barcode: 5020385086067
