

TOOL PANEL KIT 16 PIECES RED

- Designed for integration with TengTools roller cabinets or free-standing use
- Accommodates large tools, enhancing storage capabilities
- Includes practical additions like a magnet rail and 10 angled hooks
- Enables organized and accessible tool storage
- Red finish

The TengTools tool panel kit TKP26R16 in a matte red finish includes large-sized tools, such as a 600 mm adjustable wrench, a 600 mm bolt cutter, a 400 mm groove joint water pump plier, and a 450 mm aluminium pipe wrench. The panel integrates with the side of any TengTools cabinet, offering additional storage without compromising workspace. Its design also accommodates free-standing use, providing a flexible solution for tool organization and accessibility. The kit has practical additions, including a magnet rail, and a set of ten hooks (seven at 90° and three at 45° angles) for hanging various tools.
