The TengTools 26" PRO35™ stack tool kit TKS26R753T in matte red finish is a robust 753-piece kit designed for automotive and mechanical professionals requiring a comprehensive selection of tools. The tool kit offers a versatile selection of useful tools, including 1/4", 3/8", and 1/2" drive sockets, bit sockets, ratchets, impact tools, combination spanners, screwdrivers, bits, T-handle hex & tx keys, pliers, torque wrenches, inch spanners & sockets, and various general tools. The tools are methodically arranged in 11 of the 16 extendable drawers. With five empty drawers there is space to expand which makes it a flexible asset in dynamic professional workspaces. The TengTools Tool Control System ensures organized storage and quick identification of any tools that are missing or misplaced. This comprehensive 16-drawer 26" tool kit in 3 tiers includes the TSW26R9 9-drawer roller cabinet, the TSM26R3 3-drawer tool chest, and the TST26R4 4-drawer tool chest on top. Each drawer is fully extendable and has a holding capacity between 30 to 40 kg to ensure they can comfortably accommodate a variety of tools. Each drawer is fitted with smooth running ball bearing slides and a noise reducing EVA mat for added protection. The storage units are made of heavy gauge steel and have been treated with a 5-step phosphate-free rust prevention process to resist corrosion. Each unit has a separate 3-digit combination lock to prevent unauthorised access. A comfort handle is located on the side of the roller cabinet to facilitate movement. It is also equipped with heavy duty 2" wide castors, two of which are 5" braked swivel castors and two are 5" fixed for easy manoeuvring across workshop floors. The fold-down front of the top tool chest features the TengTools logo, adding a unique touch. The tool chests have recessed side handles to make them easy to carry and move. The tool kit includes a practical holder for paper rolls (TCA08).
