

15" PRO35™ SIDE CABINET 7 DRAWERS RED

- Compact design fits alongside TengTools roller cabinets
- Seven fully extendable drawers with smooth running ball bearing slides
- Drawers support up to 30 kg and are lined with noise reducing EVA mats for protection
- Equipped with a combination lock for secure storage
- 3-piece heavy gauge steel cabinet frame
- Treated with a phosphate free 5-step rust prevention process and powder coat finish

The TengTools 15" PRO35™ side cabinet TSC15R7 is designed to attach to existing TengTools cabinets. Weighing just over 40 kg, it measures 382 mm wide, 460 mm deep, and 795 mm high and offers substantial storage in a compact size. This cabinet has seven drawers: five with a depth of 75 mm and two with a depth of 150 mm, suitable for storing larger items alongside everyday tools. The drawers operate on smooth ball bearing slides and are lined with EVA mats to protect contents and reduce noise. Each drawer can support up to 30 kg, reflecting the cabinet's robust build quality. It comes equipped with a combination lock, ensuring that all contents are securely stored. The storage unit has a 3-piece heavy gauge steel frame and is treated with a phosphate free 5-step rust prevention process providing resistance to corrosion. It is finished in a matte red, offering a visually appealing addition to workshops and garages. The TSC15R7 is easy to assemble and is compatible with TengTools tool control system, enabling efficient organization and accessibility of tools. A TCW-SP01 side plate is necessary for mounting to cabinets with a back panel to ensure a stable and integrated setup.
