

GENERAL TOOL SET 18 PIECES

- Inclusion of a 3 m dual-system measuring tape facilitates accurate measurements in both metric and imperial units.
- Features 150 mm and 250 mm wide jaw adjustable wrenches to cater to a broad range of fastening applications.
- Comes with a 24 TPI hacksaw with an ergonomic handle, designed for accurate and comfortable cutting tasks.
- A set of two hammers (24 oz ball pein and soft face) offers a versatile range of striking applications.
- The tools are organised in a high-density EVA foam inlay module size 4X4 (FOAM4X4) for optimal organisation and quick retrieval.

The TengTools 18-piece toolset for general repairs and maintenance is a carefully selected collection of hand tools designed to meet the daily needs of facility managers, plumbers, and other similar professions. Each tool, from hammers and chisels to wrenches and measuring instruments, is crafted for high performance and longevity. The tools are meticulously organized in a tri-color high-density EVA foam module, custom-made to fit precisely into TengTools 26-inch (575 mm x 380 mm) drawers.
