- Organised in a TengTools TT1 tool tray module for storage and transport

The TengTools TTLA03 3-piece LED lamp set includes a rechargeable LED flashlight, a rechargeable LED worklight, and a rechargeable multi-purpose LED headlamp. The set is professional-grade lighting gear with IP-rated designs and adjustable lighting modes for illuminating vehicle undercarriages, confined industrial spaces, or nighttime outdoor projects. The TengTools 584N rechargeable LED flashlight features a lightweight black aluminum alloy, four light modes and 2.5–8 hours of runtime. The TengTools 588N rechargeable worklight with dual light sources features an adjustable hook and a strong mounting magnet. The TengTools rechargeable headlamp features a 60° adjustable tilt bracket and a 400-lumen Cree LED with up to 3–16 hours runtime. All lamps in the set are equipped with magnets for hands-free operation, essential for anyone performing tasks requiring both hands. All lamps are equipped with USB-C charging capability and a convenient USB-C charging cable is included in the set. The complete set is organized in a TengTools TT1 tool tray module, ensuring easy storage and transport.
