

TRIM & PANEL FASTENER CLIP REMOVAL SET TT1 4 PCS

- Versatile design allows for the removal of clips from both interior and body, broadening the range of possible applications
- Thoughtfully engineered pivot points at the blade tips offer good leverage while minimizing the risk of damaging the panel or trim
- Compatible with most common fastener clips, making this toolset a practical choice for varied tasks
- Ergonomically designed bi-material handles enable prolonged use
- Supplied in a tool module size 1 (TT1)

The TengTools 4-piece set for removing interior and exterior fastener clips is designed for safe and efficient work. The tools included have specially designed blade tips for leverage and to minimize the risk of damage to panels or trim pieces. Ergonomically crafted bi-material handles with tethering or safety wire holes increase both comfort and safety. The set is compatible with the most common types of clips, simplifying access to hard-to-reach clips. It is delivered in a tool module size 1 (TT1) for easy integration into your existing TengTools storage system.
