

METRIC COMBINATION SPANNER SET 6 PIECES

- The metric combination spanner set comes in sizes 24 mm to 36 mm, addressing the need for tools applicable to bigger fasteners.
- The ring end's 15° offset design enables easier and safer work in confined or awkward spaces.
- TengTools unique hip grip design on the ring end ensures better grip and efficient torque application.
- Manufactured to DIN 3113A standards, the spanners meet stringent quality requirements.
- Organised in a tool tray module size X4 (TTX4), facilitating quick identification and retrieval in a professional setting.

The TengTools 6-piece metric combination spanner set is a kit for professionals who often deal with larger fasteners in challenging settings or industrial machinery. Comprising six metric spanners in sizes ranging from 24 mm to 36 mm, the set is manufactured to DIN 3113A standards. Each spanner features a satin finish, chrome vanadium construction, and the distinctive TengTools 'hip grip' design on the ring end, making these tools not only robust but also efficient in fastening tasks. The 15° offset on the ring end improves hand clearance and allows better accessibility in tight spaces. Tools are organised in a TTX4 tool tray module, designed for optimal organisation and easy storage.

General information

Country of origin: Taiwan
Barcode: 5020385044982
Tarriff code Europe: 8204110000
ECCN US: EAR99
UNSPSC: 27111713
